

RICO EMPLOYEES RECOGNIZED BY OHIO TREASURER

FOR IMMEDIATE RELEASE

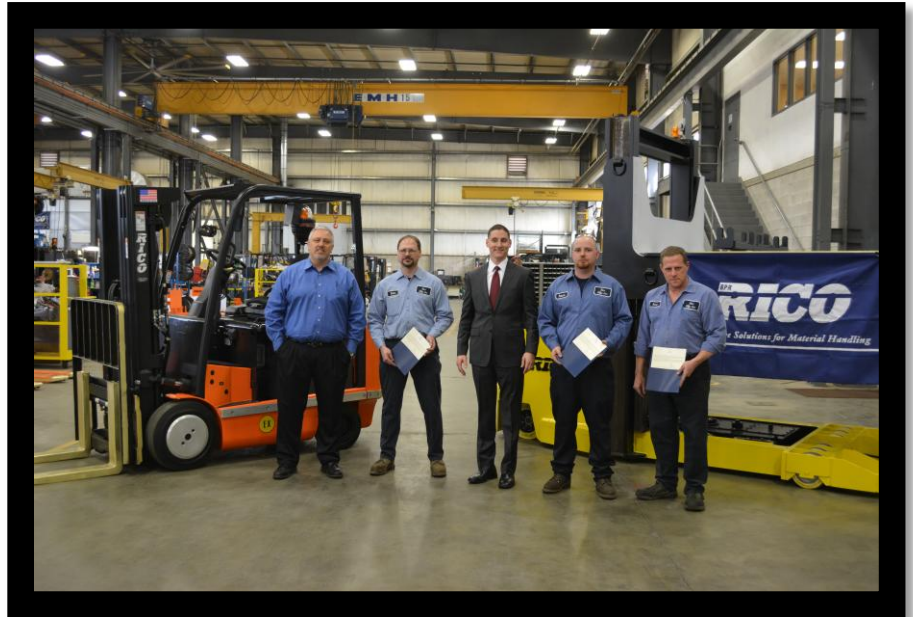

(April 2, 2014 – Medina, Ohio) Ohio Treasurer Josh Mandel – as part of his 'Ohio Strong Campaign' - visited Rico Manufacturing Wednesday afternoon to recognize members of Rico's factory team.

The program in which the employees were recognized, is intended to inspire a new generation of skilled factory workers. An increased number of young individuals are being encouraged to seek training and careers in skilled trades and manufacturing.

Despite the entire faculty at Rico being applauded for their contribution and skill-set, three in particular stood out with their experience and longevity at the company - Welding Department

Leader, Patrick Damon of 15 years; Machinist and respected Military Veteran, Kurt Visscher of 10 years; and Sub-Assembly Supervisor Brian Decoster of 14 years.

"We are extremely proud and thankful to have such loyal and highly skilled employees that take great pride in everything they build." said Rico President, Steve Shuck. "Their talents are reflected in the quality and appearance of our products; making Rico a leader in our industry."

Rico Manufacturing is proud to be fabricators of the world's finest specialty lift trucks. With over 125 years of experience, RICO has pioneered the design, development and manufacture of specialized lift trucks with capacities ranging from 1,000 to more than 400,000 lbs. RICO's diverse customer base includes the industrial, military and commercial markets. For more information contact **Alexa Engist (330) 723-4050 ext. 200** or visit www.RicoEquipment.com
