

RICO Model # HSD-EX-AC-60

EX-60 |||

Sit-Down, Counterbalanced Explosion Proof Forklift

APPROVED FOR OPERATION IN:

- Class 1, Division 1 & 2, Group D
- Class 2, Division 1 & 2, Group G
- Hazardous Environment

Flexible Conduit (FC) Cables

RICO |

Since 1984 RICO Manufacturing has been designing and manufacturing specialized lift trucks for the most rigorous and demanding industries around the globe.

RICO's hazardous products division continues to be the leading manufacturer of Explosion Proof equipment and forklifts in the United States.

RICO's standard for excellence in design, manufacturing and installation results in the best EX-rated lift trucks on the market today. All of our explosion-proof lift trucks are designed around operator visibility, friendly maintenance and outstanding parts/service support.

SAFETY FEATURES

Safety is a critical focus for every successful organization – forklift safety starts with RICO.

STATIC CONDUCTIVE STEER TIRES

Prevent sparks, helping to provide a working environment with reduced peril and hazardous conditions.

PROTECTED SURFACES

Exposed components on the perimeter of the truck, including forks, are protected with brass and aluminum alloys eliminating the possibility of mechanical sparking.

RIGOROUS TESTING

Built to UL583 specifications, and approved by FM Global, a Nationally Recognized Testing Laboratory.

OUTSTANDING VISIBILITY

Excellent visibility helps increase operator awareness.

LIGHTING

Additional packages for LED work lights, blue pedestrian light and LED strobe light are available.

Choose RICO for exceptional performance and explosion proof features.

DRIVE, PUMP AND ELECTRICAL ENCLOSURES
House only electrical components and are approved to be included on EX-rated lift trucks. All RICO enclosures have been tested for approval in an EX-rated environment by FM Global.

FLEXIBLE CONDUIT (FC) CABLES house regular cabling, which is sealed to ensure safe use in an EX-rated environment. The FC Cable provides flexibility and space saving.

FEATURES & BENEFITS

EX-60

RICO Model # HSD-EX-AC-60

EASE OF MAINTENANCE

Easy access enclosure design.

REDUCED COSTS

Battery box eliminates the need for an EX battery.

INVENTORY CONTROL

Industry standard components for local servicing dealer sourcing.

APPROVED FOR OPERATION IN:

- Class 1, Division 1 & 2, Group D
- Class 2, Division 1 & 2, Group G
- Hazardous Environment

SPECIFICATIONS

GENERAL

| | | | | | |

SERVICES & SUPPORT

At RICO, we know that once a lift truck ships, the real work is just beginning!

RICO products are fully supported throughout their service life by a team of dedicated experts who are true business partners.

RICO offers EX compliance evaluations and services on all RICO manufactured trucks.

On-site evaluations can be performed by RICO or one of our factory-trained authorized servicing dealers.

RICO provides our customers with the education and tools to evaluate and assess EX trucks in the field to determine whether they are still within compliance.

ROI

Extend the return on investment of your vehicle and ensure the safety of your team and your facility — schedule an EX compliance evaluation or EX training today.
