

INNOVATIVE SOLUTIONS

Material Handling Redefined

RICO

When it comes to material handling, the solution is different for each company and each challenge, but the answer is always the same — RICO!

Since 1984, RICO Manufacturing has been designing and manufacturing specialized lift trucks for the most rigorous and demanding industries around the globe.

A leading manufacturer of engineered material handling equipment, RICO is a pioneer in the design, development and creation of equipment with capacities from 1,000 to 400,000 pounds.

RICO's trucks will lift, transport, push or pull any of your materials with unmatched ease, efficiency, safety and reliability. As a result, every move you make with RICO is a move toward increased productivity and profitability.

NEW TRUCKS

From custom vehicle consultation to on-site delivery, RICO Manufacturing is your trusted partner!

Our approach to material handling is as unique as your needs. Our policy is to listen to our customers, provide customized solutions, and engineer a truck that is tailor-made to meet your specific requirements.

LIFT TRUCK SOLUTIONS

- ✓ High Capacity Cushion Tire Trucks
- ✓ QDC - Quick Die Change / Mold Handlers
- ✓ Specialty Trucks
- ✓ EX-Rated Explosion Proof Trucks

Choose RICO for exceptional performance, unparalleled safety features, and the quickest delivery in the industry.

FACTORY CERTIFIED PRE-OWNED EQUIPMENT SALES & BUY-BACK PROGRAMS

Looking to update or upgrade your current RICO fleet while maximizing your budget? RICO offers two programs that may help you get into a new lift truck even sooner!

RICO FACTORY-CERTIFIED, PRE-OWNED EQUIPMENT SALES PROGRAM

All pre-owned lift trucks in our program are inspected by the same highly skilled technicians who built the trucks!

- ✓ 50-point safety evaluation
- ✓ MAX LOAD endurance testing
- ✓ OEM approved parts
- ✓ Backed by factory warranty

RICO BUY-BACK PROGRAM

RICO is interesting in purchasing select, previously owned, RICO-manufactured vehicles.

- ✓ Direct buy-back*
- ✓ Trade-in your RICO lift truck*

**Some restrictions apply.
Contact your RICO product specialist for details.*

VEHICLE REBUILD PROGRAM

Technology and needs change over time, but that is no reason to retire your strongest partner: your RICO lift truck. Our material handling equipment is built to last a lifetime and with our rebuild program - it can!

We offer a complete rebuild program for RICO-manufactured lift trucks, developed specifically with YOU in mind.

- ✓ Increase the return on capital investment
- ✓ Improve UP time and maximize productivity
- ✓ Ensure safety of employees and property
- ✓ Upgrade technology
- ✓ Update and modify to meet new application demands
- ✓ Extend the in-service life of the vehicle

EX RENTAL PROGRAM

RICO offers a rental program for RICO EX-rated products. RICO's rental vehicles are guaranteed to be high quality, and adhere to the highest level of safety and compliance, even after continuous and rigorous use!

THIS IS THE RICO ADVANTAGE!

- ✓ Guaranteed high quality
- ✓ Highest level of support
- ✓ Cutting-edge technology
- ✓ Try before you buy
- ✓ Zero risk for dealers
- ✓ Rent to own option available
- ✓ Short & long term rental durations available
- ✓ No long term contracts required
- ✓ Discount rates available

EX SAFETY FEATURES

Forklift safety starts with RICO!

RIGOROUS TESTING

All EX vehicles are built to UL583 specifications and FM approval. Vehicles inspected prior to use and upon return to adhere to the highest level of safety and compliance.

APPROVED FOR OPERATION

- Class 1, Division 1 & 2, Group D
- Class 2, Division 1 & 2, Group G
- Hazardous Environment

Safety starts with RICO! Every RICO EX-rated vehicle has met all compliance requirements for operation in the hazardous environments for which it was rated.

Maintaining safety and compliance belongs to the owner / operator! RICO is here to help you ensure the compliance of your RICO manufactured EX-rated vehicles and the safety of your employees and property.

How are you ensuring your lift truck is EX compliance safe?

- ✓ National Fire Protection Agency (NFPA) compliant
- ✓ FM approval compliant
- ✓ OSHA 1910.178 (a) compliant
- ✓ EX-safety requirements to prevent ignitable hazards

EXPLOSION PROOF COMPLIANCE INSPECTIONS

RICO offers a complete 92-point EX compliance inspection and repairs on all RICO manufactured trucks.

EX factory training is available for authorized dealers, conducted by RICO certified technicians.

Ensure the safety of your team and your facility — schedule an EX compliance inspection or EX factory training today!

SERVICES AND SUPPORT

At RICO, we know that once a lift truck ships, the real work is just beginning.

Quality products deserve quality support!

Throughout every step of the process: from installation to operation and preventive maintenance or repairs, RICO products are fully supported throughout their service life by a team of dedicated experts who are true business partners.

AFTERMARKET SERVICE

- ✓ Replacement parts
- ✓ Technical hotline
- ✓ Custom training - in person & virtual
- ✓ Service manuals
- ✓ Fork-to-counterweight warranty
- ✓ Maintenance & repair information
